

Week 17

Follow Up Questions

Take a few minutes and think through these questions. Perhaps something in your notes from our study this week are calling you deeper with your thoughts. In the space provided, journal your answers to these thoughts, then feel free to check into the Members Forum and begin a dialogue or ask a question.

Question 1:

Do you think that Jesus wants to work miracles in our present time, as He did in the Bible days, or was that just for then? Why or why not?

Question 2:

Why don't the church, or believers individually seem to have a strong belief that Christ is still working miracles in our day and age?

Question 3:

What is your personal belief about miracles? Have you ever experienced one? If so, write about it and see how recalling the powerful working of God in your life may grow your faith.
